I implore you to not vote for the boycott of HP as recommended by BDS.
I work in the city of Cambridge, lived in Cambridge for many years in the past, shop in Cambridge, and dine and find entertainment in Cambridge.
BDS is a highly anti-Semitic organization, masquerading as solely anti-Israel. My own Jewish daughter, and many other Jewish students, at her college(and only the Jewish students) had inflammatory BDS fliers attached to their doors. They were singled out by their Jewish names, not because of any particular Zionist leanings. It has been labeled an anti-Semitic organization by the ADL.
I have always loved Cambridge for it's inclusive character. Please do not allow BDS to discriminate.

Sincerely,
Jennifer Garshman Hertzel
